

# Perinatal Oral Health Roundtable

In efforts to support prenatal and dental providers work to protect the health of our most vulnerable San Francisco residents, SF Health Network Dental Services, Maternal Child and Adolescent Health, Comprehensive Perinatal Services Program (CPSP) and Child, Health & Disability Prevention (CHDP) Program, and Cavity Free SF are hosting this educational day to improve perinatal oral health in women.

## Location and Time:

Thursday, November 1, 2018  
8:30 am- 11:30 pm  
(registration/breakfast at 8AM)  
25 VanNess Ave., #610  
San Francisco, CA

## Presenters:

### Misa Perron-Burdick, MD

Ob/GYN, ZSFG Women's Health Center

### Irene Hilton, DDS, MPH

Interim Director of Dental Services,  
SFDPH

### Marco Reyes, DDS

Dentist, SFDPH

## Learning Objectives:

- Provide an overview of the importance of oral health care during pregnancy and its effects on pregnancy outcomes.
- Provide ways in which clinic staff can provide information to patients about the importance of oral health in pregnancy and basic oral hygiene education.
- Provide Standard of Care and best practices for providing safe dental care during pregnancy.
- Provide referral protocols for perinatal oral health and information on linking across the dental/medical inter-professions.
- Provide billing and insurance coverage information for dental services.
- Networking with dentist and pregnancy provider colleagues.

**Registration is required.** Register early as space is limited.
